Postdoctoral Fellow in Mathematics – UFSCar

Two Postdoctoral positions, in all areas of Mathematics, are open at the Graduate Program of the Department of Mathematics of Universidade Federal de São Carlos (PPGM-DM-UFSCar), under the framework of the program PNPD-CAPES. The candidate's application must be supported by a member of our Program, who will act as Supervisor. A full list of current members of our Program can be found in
https://www.dm.ufscar.br/ppgm/index.php/pt-br/pessoas/docentes.

The (tentative) starting date is October 5, 2018.

The PNPD-CAPES Scholarship is governed by Ordinance No 086, issued by the Brazilian Ministry of Education. For details, see the website (in Portuguese):

http://www.capes.gov.br/bolsas/bolsas-no-pais/pnpd-capes

Applications from foreign candidates are welcome.
Interested candidates must submit the following documents by e-mail (edivaldo@dm.ufscar.br), to Prof. Edivaldo L. dos Santos, Head of the Graduate Program, until September 26, 2018:

1. Updated CV.
2. Certificate of doctoral defense, which must have occurred less than five years prior to the implementation of the fellowship. Candidates currently enrolled in a doctoral program are welcome to apply – implementation of the fellowship is conditional to successful completion of the degree though.
3. Research Plan covering a period of 12 months.
4. Letter from a member of our Program supporting the candidate and accepting being the candidate's Supervisor
5. Names of, at least, two senior scientists willing to provide a letter of recommendation on behalf of the candidate.

The selection will be made by a panel comprising Professors of the PPGM-DM- UFSCar.
The result will be announced by October 3, 2018.
Additional Comments: (1) The value of the fellowship is 4.100,00 BRL per month. (2) Health insurance and travel expenses are NOT covered by the fellowship or the PNPD Program.
